The Head Injury Association’s Golf Tournament was conceived by the late Thomas G. Gilbert. Tom, along with his wife, Judy, were tireless workers for The Head Injury Association (formerly Long Island Head Injury Association.) It was Tom’s vision to establish a Recreational/Vocational Day Center for the benefit of Traumatic Head Injury Survivors, here on Long Island.

The funds raised on June 24, 2009, in connection with our 24th Annual Golf Tournament will help make the Head Injury Association a bridge to hope and healing.
